Name: _____

Date: _____ Period: _____

Review: Surface Processes

Agents of Erosion

Direct Cause: _____

Indirect Cause: _____

Streams

(circle one)
Sorted or Unsorted

Features

- ____ - Shaped Valley
- Meanders
- Flood Plain
- Levee

Characteristics

- Greatest velocity is on the _____ curve
- Deposition occurs on the _____ curve

Wind

(circle one)
Sorted or Unsorted

Features

- _____ Dunes
- _____ - the lowering of the desert floor as wind erodes sediments

Characteristics

- Windward side is the _____ side
- Leeward side is the _____ side

Mass Movement

(circle one)
Sorted or Unsorted

Examples

- _____
- _____
- _____

Waves

(circle one)
Sorted or Unsorted

Question

What are the specific cause of most ocean waves?

_____

Characteristics

- Long Shore Current -

_____

_____

_____

Glaciers

(circle one)
Sorted or Unsorted

Features

- ____ - Shaped Valley
- _____ Lake
- Erratics
- _____ Moraines
- Eskers
- Glacial _____
- Drumlins
- _____ Plains
